

Extreme connect

Recommended Sessions by Industry

Find the breakout sessions most relevant to you. Then continue the experience in the Exhibit Hall with live demos and expert insights.

K-12

- Ask Extreme Anything: K-12
- Beyond Connectivity: The Next Era of Enterprise Wi-Fi
- Futureproof Frequency
- Hidden Cost of Infrastructure
- Extreme Platform ONE™: A Comprehensive Solution Overview
- Bridging On-Premises Networks to Extreme Platform ONE
- The Evolution of Extreme Fabric: Past, Present and Future
- Step Into Extreme Exchange—Extreme's Curated AI Control Plane Designed to Bring Order to Enterprise Automation

Higher Education

- Higher Education Community Facilitated Conversation
- From Chaos to Control: Converged Wired & Wireless Management with Extreme Platform ONE
- Futureproof Frequency
- New ExtremeCloud IQ: The Next Evolution of Cloud Management
- Bridging On-Premises Networks to Extreme Platform ONE
- Step Into Extreme Exchange—Extreme's Curated AI Control Plane Designed to Bring Order to Enterprise Automation
- Beyond Connectivity: The Next Era of Enterprise Wi-Fi
- Elevating Network Architecture: The Power of Extreme Switching
- The Evolution of Extreme Fabric: Past, Present and Future
- Extreme Platform ONE: A Comprehensive Solution Overview

Public Sector

- Ask Extreme Anything: Public Sector
- From Burden to Benchmark: Why Compliance Is Becoming a Competitive Advantage
- Accelerating Zero Trust with Extreme Platform ONE Security
- The Security of Things
- Elevating Network Architecture: The Power of Extreme Switching
- Bridging On-Premises Networks to Extreme Platform ONE
- Extreme Platform ONE: A Comprehensive Solution Overview
- How to Buy Extreme Platform ONE: A Guide to Subscriptions and Commercial Programs

Healthcare

- Ask Extreme Anything: Securing Mission-Critical Networks Across IoT/OT
- From Burden to Benchmark: Why Compliance Is Becoming a Competitive Advantage
- Hidden Cost of Infrastructure
- New ExtremeCloud IQ: The Next Evolution of Cloud Management
- Accelerating Zero Trust with Extreme Platform ONE Security
- Bridging On-Premises Networks to Extreme Platform ONE
- Extreme Platform ONE: A Comprehensive Solution Overview
- The Evolution of Extreme Fabric: Past, Present and Future
- Fabric Extended: Secure SD-WAN for the Modern Enterprise

Manufacturing

- Ask Extreme Anything: Securing Mission-Critical Networks Across IoT/OT
- Reimagine Every Experience with Extreme AI
- Beyond Connectivity: The Next Era of Enterprise Wi-Fi
- Futureproof Frequency
- Extreme Platform ONE: A Comprehensive Solution Overview
- Scaling Enterprise AI Workloads
- Hidden Cost of Infrastructure
- From Burden to Benchmark: Why Compliance Is Becoming a Competitive Advantage
- Bridging On-Premises Networks to Extreme Platform ONE
- Accelerating Zero Trust with Extreme Platform ONE Security

Sports & Venues

- Ask Extreme Anything: Securing Mission-Critical Networks Across IoT/OT
