

End-of-Sale Notification for Open Network Adapter (ONA)

Summary:

This End of Sale Notification is intended to announce the End of Sale for Open Network Adapter (ONA) product listed in this document, that was designed for use with VSP 4000 series switches to enable Fabric Extend tunneling. Key dates associated with this End of Sale Notification are defined below.

The ONA product SKUs listed in this notification is no longer available for direct sale through Extreme Networks. Please consult your local Extreme Networks sales representative to identify the Distributors with stocks available for these product SKUs.

Pursuant to the terms of your agreement with Extreme Networks®, this letter serves as your formal written End-of-Sales announcement, which will allow for appropriate planning and opportunity for last time purchases.

The recommended product replacements are listed in document below for your convenience.

Definitions

- **End-of-Sale Notification Date:** Date of official End-of-Sales Notification as described above.
- **End-of-Sales (EOS) Date:** The last date to order the product through Extreme Networks point-of-sale mechanisms. The product is no longer offered for sale after this date.
- **End-of-Software-Maintenance (EOSM) Date:** The last date that Extreme will release any maintenance or patch releases for a specific major release.
- **End-of-Service-Life (EOSL) Date:** The last date a product will be supported by Extreme Networks.

For more information related to Extreme’s product End of Life process, refer to the End of Sale and End of Support Policy at <https://www.extremenetworks.com/support/policies/>.

Affected Products and Key Milestones

Part Number	Product Description	EOS Date *	EOSM Date	EOSL Date	Last Supported Release Stream (Projected)
EC1100010-E6	Open Network Adapter - ONA 1101GT	11/30/2019	11/30/2020	11/30/2024	3.0.1.0
EC1105E11-E6	Universal AC Power Adapter for ONA 1101GT	11/30/2019	11/30/2020	11/30/2024	3.0.1.0

** Note : Availability of each individual product SKU is “while supplies last”, and supply of any product SKU is not guaranteed through the End of Sale date.*

Replacement Products

There are no direct replacements available or planned for ONA 1101GT.

The solution level replacement would be -

VSP4900-48P-B1-4X : VSP4900-48P Bundle includes one VSP4900-48P with 48 10/100/1000Mb FDX/HDX MACSEC capable ports with 802.3at PoE (30W) includes fan modules, one 1100W AC PSU FB (10941) and one VIM5-4X with four 10GbE SFP ports

VSP4900-48P-B1-4X is the next generation update to VSP 4850 series of switches. The VSP4900 series of switches support Fabric Extend tunneling natively, without the need for external ONA.

** Note: Product replacements are not a direct replacement. These are recommended solution level replacements which may or may not provide required replacement, depending on customer's network requirement.*

Terms & Conditions

Orders are subject to product availability. Extreme Networks shall not have any liability for failure to meet a delivery date.

End of Sale Returns

Distributors and Partners should refer to the applicable Extreme policy regarding product returns as result of End of Sale notification and End of Sale.

Ongoing Support

During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.

For RMA replacement of product SKUs listed in this notice, Extreme may replace the failed unit with a product which is, in Extreme's sole opinion, equivalent to the original product that has been discontinued or is otherwise not available.
