
Immediate End-of-Sale Notification for WLAN 9132 and 9144 Access Points.

This updated End of Sale notification is intended to announce the immediate effectivity of the previously announced End of Sale for WLAN 9132 and 9144 Access Points. The prior notice indicated 6/30/2018 End of Sale, however Extreme has no remaining inventory of these parts. The parts described in this document are no longer available from Extreme Networks. The affected models and material codes are listed below.

End of Sale Product List

Product Availability

These end-of-sale notice products are no longer available for ordering.

Ongoing Support

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 4 years of the end-of-support period, provided that that the contract expiration date does not extend beyond the end-of-support date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.

Contact Information

For more product and service information, please contact: anordersupport@extremenetworks.com or your local Extreme Networks partner or sales representative.

This notice is further conditioned upon the terms and conditions as described in Extreme’s published End of Sales / End of Support / End of Life policies located at the following link:
