

Advance Notification of End of Sale of select WLAN 9100 Access Points and WOS-IDE bundle.

This notice is <u>NOT</u> intended to imply End of Sale for the entire WLAN 9100 product families. A number of WLAN 9100 models will be available on the Extreme price book beyond April 2018.

This document is the advance notification of the April 8, 2017 end-of-sale of WLAN 9100 access points and other devices, including access points WAP9112, WAP9114, WAO9122, WAE9132, WAO9132, WAP9133, WAP 9172 and WAP9173, all CNP Cloud subscription licenses, and IGT. The affected models and material codes are listed below.

Certain models of the WAP9132 and WAP9144 access points will continue to be offered through Extreme Networks starting in April 2018.

End of Sale Product List

Guest Manager & Access Portal sold separately.

Please note that the end of sale date for an individual model will be driven by "while supplies last". If demand for a specific model spikes over what has been the normal demand for that model, the end of sale date for that specific model may happen earlier than April 8, 2018.

Definitions

- End-of-Sales Announcement Date: Date of official End-of-Sales notice.
- End-of-Sales Date: The last date to order the product through Avaya point-of-sale mechanisms. The product is no longer offered for sale after this date on Avaya systems. The affected models will not be offered for sale through Extreme point-of-sale mechanisms.
- End of Support Services Software: The last date that new software releases, including patches and bug fixes, will be created. This date conforms to Avaya lifecycle policies for the affected products.
- End-of-Life Date (End of Support Services): The last date a product will be supported by Extreme Networks.

End of Sales Milestones

Platform	EOS Announce Date	EOS Date	End of Support SW	EOL Date
Affected Access Points defined	12/5/2017	4/8/2018	N/A	4/7/2023

Replacement Products

While there are no direct replacement products for some of the WLAN 9100 Access Points, a number of WLAN 9132 and 9144 models will continue to be available through Extreme Networks starting in April 2018.

Customers should work with their Extreme Networks associate to evaluate Extreme Wireless solutions for new deployments.

Product Availability

These end-of-sale notice products will be orderable until April 8, 2018.

Ongoing Support

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 4 years of the end-of-support period, provided that that the contract expiration date does not extend beyond the end-of-support date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.

Contact Information

For more product and service information, please contact: anordersupport@extremenetworks.com or your local Extreme Networks partner or sales representative.

This notice is further conditioned upon the terms and conditions as described in Extreme's published End of Sales / End of Support / End of Life policies located at the following link:

http://www.extremenetworks.com/support/end-of-sale-and-end-of-support-products
