

End-of-Sale Notification for 200 Series Switches Immediate End of Software Maintenance

Summary:

This is a notification of End of Sale of 200 switches which include 210 series and 220 series.

This is also a notification of Immediate End of Software Maintenance of 200 series switches. The 200 series switches run a mature Operating System (OS) and Extreme will no longer provide software bug fixes or updates for the OS.

GTAC and HW RMA services will continue to be available on this product till the End of Service Life as noted in the table below. The replacement products are also mentioned in the table below.

Pursuant to the terms of your agreement with Extreme Networks®, this letter serves as your formal written End-of-Sales announcement.

Definitions

- **End-of-Sale Notification Date:** Date of official End-of-Sales Notification as described above.
- **End-of-Sales (EOS) Date:** The last date to order the product through Extreme Networks point-of-sale mechanisms. The product is no longer offered for sale after this date.
- **End-of-Software-Maintenance (EOSM) Date:** The last date that Extreme will release any maintenance or patch releases for a specific major release.
- **End-of-Service-Life (EOSL) Date:** The last date a product will be supported by Extreme Networks.

For more information related to Extreme's product End of Life process, refer to the [End of Sale and End of Support Policy](https://www.extremenetworks.com/support/policies/) at <https://www.extremenetworks.com/support/policies/>.
