

Subject: Request for Approval to Attend Extreme Connect

Dear

I request your approval to attend Extreme Connect 2025. The event will occur May 19-22, 2025, in Paris, France. Extreme Connect is Extreme Network's annual technical conference that unites hundreds of networking users worldwide with Extreme executives, product leaders, and technical experts for three full days of in-depth education, customized learning, and networking opportunities.

With new attendee tracks for leadership, IT professionals, partners, and analysts, Extreme Connect offers tailored content and activities to discover the foundational approach that's transforming businesses. Through technical breakout sessions, interactive, hands-on demos, and one-on-one time with product and solution experts, Extreme Connect will provide the forum for me to learn about the entire Extreme portfolio so that I can help expand our existing capabilities.

By attending Extreme Connect, I will gain opportunities to:

- Evaluate the latest innovations in networking from the access layer through the data center.
- Meet with product experts, seasoned engineers, technology leaders, and executives to get my networking questions answered and receive insight and guidance.
- Connect in person with hundreds of industry peers to share perspectives and suggestions about best practices, new ideas, and tools we might consider.
- Hear from Extreme's executive leadership, product experts, and thought leaders as they share their vision and solutions roadmap.

Attending Extreme Connect is the best way to ensure that we're getting the most from our Extreme Networks investment and maximizing our network to optimize our business. For more information visit [extremenetworks.com/extremeconnect](https://extremenetworks.com/extremeconnect).

Please let me know if you have any questions or need further clarification. Thank you for your consideration!

Best,

**Extreme Connect | May 19-22, 2025**
