End-of-Sale Notification for various switching product bundles. <u>NOTE</u> that this EOS notification effects specific bundles only and is not intended to imply any lifecycle action related to the underlying product families or related SKUs

Summary:

This End of Sale Notification is intended to announce the End of Sale a variety of switching product bundles listed in this document. Key dates associated with this End of Sale Notification are defined below.

NOTE that this EOS notification effects only the bundles listed in this document and is not intended to imply any lifecycle action related to the underlying product families or related SKUs.

Pursuant to the terms of your agreement with Extreme Networks®, this letter serves as your formal written End-of-Sales announcement, which will allow for appropriate planning and opportunity for last time purchases.

The recommended product replacements are listed in document below for your convenience here.

Definitions

- **End-of-Sale Notification Date:** Date of official End-of-Sales Notification as described above.
- **End-of-Sales (EOS) Date:** The last date to order the product through Extreme Networks point-of-sale mechanisms. The product is no longer offered for sale after this date.

- **End-of-Software-Maintenance (EOSM) Date:** The last date that Extreme will release any maintenance or patch releases for a specific major release.
- **End-of-Service-Life (EOSL) Date:** The last date a product will be supported by Extreme Networks.

For more information related to Extreme's product End of Life process, refer to the <u>Support and End of Life Policy</u> at https://www.extremenetworks.com/support/policies/.
