

End-of-Sale Notification for Extreme Visibility Manager (EVM) 4.x

Summary:

This End of Sale Notification is intended to announce the End of Sale for Extreme Visibility Manager 4.x listed in this document. Key dates associated with this End of Sale Notification are defined below.

Pursuant to the terms of your agreement with Extreme Networks®, this letter serves as your formal written End-of-Sales announcement, which will allow for appropriate planning and opportunity for last time purchases.

The recommended product replacements are listed in document below for your convenience.

Extreme Visibility Manager (EVM) 4.x provides a centralized mechanism for managing Visibility products deployed network-wide. This software application features an easy-to-learn yet powerful point-and-click user interface that simplifies provisioning and maintenance, minimizing opportunities for human error. With a one-time deployment of the Visibility Manager, new network visibility nodes can be brought under management with minimal effort as the visibility infrastructure scales out.

Definitions

- **End-of-Sale Notification Date:** Date of official End-of-Sales Notification as described above.
- **End-of-Sales (EOS) Date:** The last date to order the product through Extreme Networks point-of-sale mechanisms. The product is no longer offered for sale after this date.
- **End-of-Software-Maintenance (EOSM) Date:** The last date that Extreme will release any maintenance or patch releases for a specific major release.
- **End-of-Service-Life (EOSL) Date:** The last date a product will be supported by Extreme Networks.

For more information related to Extreme's product End of Life process, refer to the [End of Sale and End of Support Policy](https://www.extremenetworks.com/support/policies/) at <https://www.extremenetworks.com/support/policies/>.

Affected Products and Key Milestones

	Product Description	EOS Date *	EOSM Date	EOSL Date	Last Supported Release Stream (Projected)
BR-NVA-BVM-1	VISIBILITY MANAGER LICENSE FOR 1 DEVICE	6/01/2021	9/30/2021	9/30/2021	See Below
BR-NVA-INFOSIM-1	INFOSIM STABLE NET LICENSE FOR 1 DEVICE	6/01/2021	9/30/2021	9/30/2021	See Below

* Note that the availability of each individual module is “while supplies last”, and supply of any module is not guaranteed through the End of Sale date

Note 2: Last supported release stream for EVM is 4.5.3*

Replacement Products

EOS Part Number	Suggested Solution Level Replacement Number *	Product Description
BR-NVA-BVM-1 BR-NVA-INFOSIM-1	XVM-LIC-1	See Extreme Visibility Manager (XVM) web site

* Note: Product replacement is intended to be a direct replacement with all EOS SKUs combined. These are recommended solution level replacements which may or may not provide required replacement, depending on customer’s network requirement.

For existing customers who have active support contracts on the EOS SKUs, for each combined part numbers (BR-NVA-BVM-1 and BR-NVA-INFOSIM-1), they will be entitled to one (1) perpetual right of use license of the replacement (XVM-LIC-1). Any subsequent support renewal must be issued against the new replacement SKU. For example, the ExtremeWorks-Software level annual subscription of XVM-LIC-1 is 98003-XVM-LIC-1.

Replacement Products

The Extreme Visibility Manager XVM provides a centralized management of visibility products deployed network-wide, and supports the new Extreme 9920 visibility platform in addition to all existing Extreme Networks Network Packet Broker products (MLXe and SLX). This software application leverages cloud-native API-first design to integrate with existing operational and business support systems and features an easy-to-learn yet powerful graphical user interface that simplifies management, provisioning and maintenance vital for continuous service delivery at scale.

Visibility Manager also enables administrators to easily share rule configurations and transfer configuration ownerships among different groups within an organization. Additionally, operations staff can monitor performance metrics for the visibility infrastructure using the application’s real-time reporting capabilities. For more information, please contact your account team or visit Product Site (<https://www.extremenetworks.com/product/visibility-manager/>).

Terms & Conditions

Orders are subject to product availability. Extreme Networks shall not have any liability for failure to meet a delivery date.

End of Sale Returns

Distributors and Partners should refer to the applicable Extreme policy regarding product returns as result of End of Sale notification and End of Sale.

Ongoing Support

During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.
