## End of Sale Returns

On any End of Sale Products (EOS), Distributors will have 90 days from the officially published End of Sale date to return the unopened factory sealed products. After 90 days, Extreme will not accept any returns on EOS products. End of Sale return rights are independent of the stock rotation privileges. Extreme Networks will bear all cost for return ground freight using our preferred carrier on the End of Sale Returns defined herein. Stock Rotation Rights (Does not apply to non-stocking Distributors) As a stocking Distribution Partner you will have access to quarterly stock rotation privileges. Your Stock rotation privileges provide an allowance amount of 10% of the prior net quarters purchases with an offsetting purchase order required in an equal or greater amount than the approved stock rotation. Products approved for stock rotations must be current products and in factory sealed original packaging to be eligible for return. The Distributor is responsible for all freight costs associated with the approved stock rotation return. Extreme will not accept open box products, defective products or end of sale products, as part of stock rotations. Under no circumstances are returns for defective materials to be included in stock rotations. The Reseller or End-user should return defective products via the RMA process directly by opening a request through the Extreme Networks Global Technical Assistance Center (GTAC)

## Ongoing Support

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 4 years of the end-of-services-life period, provided that during the period following the end-of-sale date, the hardware replacement services provided do not include any 4-hour or onsite services, and that the contract expiration date does not extend beyond the end-of-services-life date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components.
