
Addendum to EOS Notification for S-Series and TAA SSA Switches – parts out of stock and immediate End of Sale

December 19, 2018

This addendum to the End of Sale notification for S-Series Modular Switches and TAA models of the SSA Switch family is intended to provide notification that the parts listed below are **no longer in stock**, and as a result the End of Sale date for these parts will be effective immediately on 12/19/2018.

Alternate parts (if available) are also identified below.

The End of Software Maintenance (EOSM) and End of Services Life (EOSL) dates remain unchanged from the original notification.

Products Affected

End of Sale Returns

Distributors and Partners should refer to the applicable Extreme policy regarding product returns as result of End of Sale notification and End of Sale.

Ongoing Support

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 4 years of the end-of-services-life period, provided that during the period following the end-of-sale date, the hardware replacement services provided do not include any 4-hour or onsite services, and that the contract expiration date does not extend beyond the end-of-services-life date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.

Contact Information

For more product and service information, please contact your Extreme Networks authorized business partner or Extreme Networks sales associate.

This notice is further conditioned upon the terms and conditions as described in Extreme's published End of Sales / End of Support / End of Life policies located at the following link:
